*Formed in 2005, the **Graduate School Alliance for Executive Coaching (GSAEC)** was created to lead graduate schools in **advancing professional education for executive and organizational coaching.***

PURPOSE

To advance graduate professional education for executive and organizational coaching globally

VISION

We aspire to be the world's leading executive and organizational coaching authority and professional association. We will serve as an advocate for graduate coaching education and provide comprehensive services to our stakeholders

MISSION

To advance quality-coaching education worldwide, through accreditation, thought leadership and valued-added services. GSAEC fulfills its purpose in a collaborative community of educators, researchers and practitioners focused on strengthening the discipline and practice of executive and organizational coaching by:

- Building and sustaining a collaborative worldwide community of educators, researchers, practitioners, and consumers...
- Promoting excellence in graduate coaching education through accreditation and standards for quality assurance...
- Compiling, organizing sharing and sponsoring research that builds the executive and organizational coaching community and contributes to the body of knowledge...
- Providing comprehensive services to stakeholders to address coaching education challenges and improve quality...
- Serving as an advocate for the value of graduate coaching education among diverse stakeholders...

CORE VALUES

Collaboration - Community - Intellectual Curiosity - Scholarship - Integrity

MEMBERSHIP

Membership is open to institutions as well as individuals. Joining offers members opportunities to:

⇒ Benefit from the GSAEC Community Resources ...

- ✓ LEARN what other institutions are doing regarding coaching and coach education
- ✓ COLLABORATE AND SHARE ideas about best practices in executive, organizational, and leadership coaching
- ✓ DEVELOP AND ENJOY the synergistic impact of sharing resources among institutions
- ✓ BRING together colleagues for networking in an academic field that is relatively sparsely populated
- ✓ PROVIDE representatives with the opportunity to meet and establish relationships with scholars who represent professions outside their usual contacts

⇒ Be on the leading edge of a new intellectual frontier...

- ✓ CO-CREATE the future of graduate-level coaching
- ✓ DEVELOP and establish academic standards for coach education
- ✓ ENGAGE in research regarding the development of coaches, the practice of coaching, and the discipline of the field of coaching studies
- ✓ HELP legitimize coaching within the institution and with other academics
